The Lifetime Warranty covers all items designated by the manufacturer as “powertrain” components in the manufacturer’s original warranty documents. Above are examples of Powertrain components, coverage varies based on manufacturer.

FREQUENTLY ASKED QUESTIONS

Which vehicles come with Lifetime Warranty?

The Warranty applies to all eligible vehicles.

How long is the Lifetime Warranty really good for?

The Lifetime Warranty is valid for as long as you own the vehicle—for an unlimited time, unlimited miles.

Can I get a Lifetime Warranty at another dealer in the area?

No. Our dealership has been chosen as the select dealership in the area to offer this Lifetime Warranty.

How much will it cost?

Zero. We’re trying to build “Customers for Life”, so the Lifetime Warranty comes standard at no charge to you.

Is there any extra maintenance required to maintain the warranty?

No. You must simply follow the manufacturer’s REQUIRED maintenance schedule as referred to in the owner’s manual.

Where am I covered by the Lifetime Warranty?

The Lifetime Warranty is good anywhere in the USA or Canada.

Do I have to have all of my service completed at your dealership?

No. Our award winning service department will certainly exceed your expectations, but you are not required to come here. To keep the Warranty in force, you must perform all of the manufacturer’s REQUIRED maintenance and keep the records. It’s that easy! (Please remember, if you have your service performed here, we will maintain all of those records for you.)

What’s the catch?

There are no catches, hidden fees, or gimmicks. Our dealership provides this product as an added value to our customers for doing business with us. The only ‘catch’? You have to buy your vehicle here!
